*"Cush was wonderful throughout our very challenging home-buying process. After an extensive search in the East Bay area, we set our hearts on a home that proved to be an endless hoop of hurdles to jump through, due to both the specifics of the home and to particular challenges of our financial portfolio. Throughout the experience, Cush remained incredibly responsive, helpful, and patient. We are now moved into our dream home, and we would highly recommend Cush to anyone looking for a positive home purchase experience."*
